Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Sunday 20 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy at first, becoming dry and bright.

Today:
A cloudy start to the day with some light rain. Becoming dry during the morning and cloud will break up during the afternoon to give plenty of sunshine. Maximum temperature 15 deg C (59 deg F).

Tonight:
A dry and sunny evening, staying clear for much of the area overnight but some cloud starting to move into the North West. Cool night to the south east. Minimum temperature 6 deg C (43 deg F).

Monday:
Turning cloudy during Monday as a band of rain pushes south across the area before weakening into the evening. Dry and clear overnight. Maximum temperature 13 deg C (55 deg F).

Outlook for Tuesday to Thursday:
Scattered cloud on Tuesday, sunny in the evening followed by a cool night. Wednesday will be cloudy with rain to the west. Cloudy with showers on Thursday.
